I am thinking that for December 13th we should plan on a longer meeting time - perhaps 10 - 4. What do others think?

Subject
December LWG-PH managers meetings

Hi all -

at yesterday's meeting, we discussed setting up two additional meetings to discuss the EPA data needs document that is expected to be received by LWG on December 2.

I didn't hear any discussion on timing so here is what I propose:

December 8, 9:00am - 12:00pm
December 13, 10:30am - 2:00pm

Please let me know as soon as possible if the suggested times create a conflict with your schedule.

Thanks
Valerie
